

Brazda's Fly Fishing Cancellation Policy / Booking Contract

The Guided fly fishing business is based on the PRE arrangement of guides, equipment, location requirements and lodging to coincide with the date(s) the client has chosen to fish. These types of businesses can only operate if those dates are POSITIVE and confirmed.

Water quality i.e., high flows, turbidity etc. can change in a matter of hours and is unpredictable. We can occasionally predict this happening and in that case, your booked dates will be cancelled or moved to open days later in the season or next season. This decision is made based on the advice from your guide, whether I am the guide or you are fishing with one of the other guides we use.

During the winter months, when this is likely to occur, I will call the clients prior to their dates and inform them of fishing conditions that may affect their trip. Should it then be determined that the river will be unfishable on the booked date, the nonrefundable deposit will be transferred to another open date.

Initially, dates booked are held with a \$100 per person per day **nonrefundable** deposit. This deposit can be paid by check mailed to Brazda's Fly Fishing or by Credit Card. In addition, **a valid Credit Card number must be supplied at time of booking to hold the days.** Cancellation policy:

- The client may reschedule up to 45 days prior to their date.
- Cancellations within 45-30 days of scheduled date, client will be charged 50% of the total trip costs.
- Cancellations within 30 days of scheduled date, client is responsible for the full price of their booking and Credit Card number supplied at booking will be charged.

Remaining payment for your dates can be paid with a check, cash or Credit Card at the end of your fishing dates. *CC charges will be applied**

You will never be charged a guide fee for rain outs.

**Thank you,
-Jeff Brazda**
