

Brazda's Fly Fishing Cancellation Policy / Booking contract

The Guided fly fishing business is based on the PRE arrangement of guides, equipment, location requirements and lodging to coincide with the day or days you the client has chosen to fish. These types of businesses can only operate if those dates are POSITIVE.

There is the issue of water quality i.e., high flows, turbidity etc. that can change in a matter of hours. We can sometimes predict this happening and booked dates will be cancelled or moved to open days later in the season or next season. This is done upon the advice from your guide be it myself or one of the guides we use. During the winter months when this may happen I will call the clients prior to their dates and inform them of fishing conditions that may affect their trip. Your nonrefundable deposit will be transferred to another open date should the river be unfishable upon the booked date.

The dates booked are held with a \$100 nonrefundable deposit per boat per day paid by check mailed to Brazda's Fly Fishing, and a valid CC number supplied at time of booking to hold the days.

The client may reschedule up to 45 days prior to their date. If you cancel within 45-30 days of your scheduled date you will be charged 50% of the total trip costs. Cancellations within 30 days of scheduled date the client is responsible for the full price of their booking and will be charged on the Credit Card number supplied at booking.

Remaining payment for your dates will be paid with a check, cash or credit card at the end of your fishing dates.

You will never be charged a guide fee for rain outs.

Thank you Jeff Brazda
